Dear Ms. Gilroy,

Section 10-16-1110 of the Colorado Revised Statutes requires the Commissioner of Insurance to notify the Revisor of Statutes when the Secretary of the United States Department of Health and Human Services provides notification of Colorado's federal 1332 State Innovation Waiver pass-through funding.

I am pleased to share with you that Colorado received notification of our 2023 pass-through funding amount from the federal government on August 30, 2023. The amount we received for 2023 is \$245,012,430, which must be used for purposes of implementing Colorado's State Innovation Waiver. The federal pass-through notification letter is available on the federal Centers for Medicare and Medicaid Services (CMS) 1332 Waiver website here: <https://www.cms.gov/files/document/1332-co-2023-ptf-final-letter.pdf>

Please do not hesitate to contact me at kate.harris@state.co.us with any questions regarding this federal funding notification.
