

# Child Welfare Interim Committee: Trails

August 22, 2023

**COLORADO**

**Office of Children,  
Youth & Families**

Division of Child Welfare

## Activities Supported

Case management for children/youth in child welfare

---

Licensing and monitoring providers

---

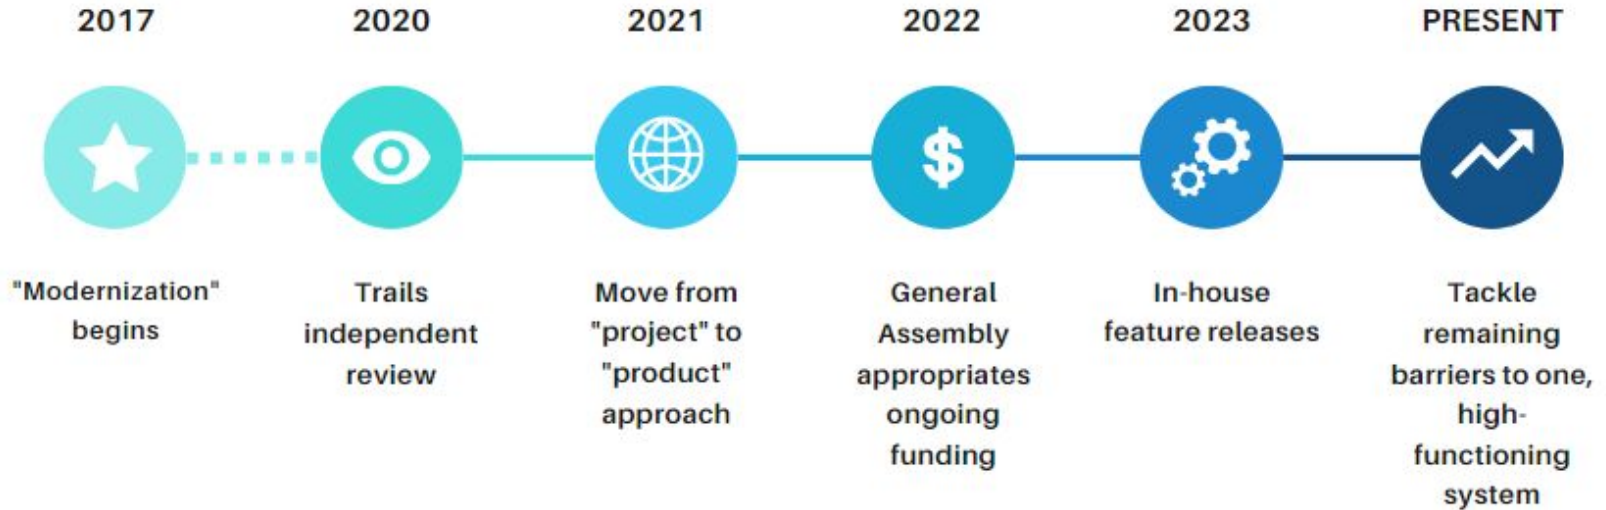

Case management youth committed to or detained by the Division of Youth Services

# Major Concepts

- **Technology systems need fully-dedicated, in-house teams.**
- **Technology systems are “products,” not “projects.”**
- **Technology should be built like programs, not buildings.**

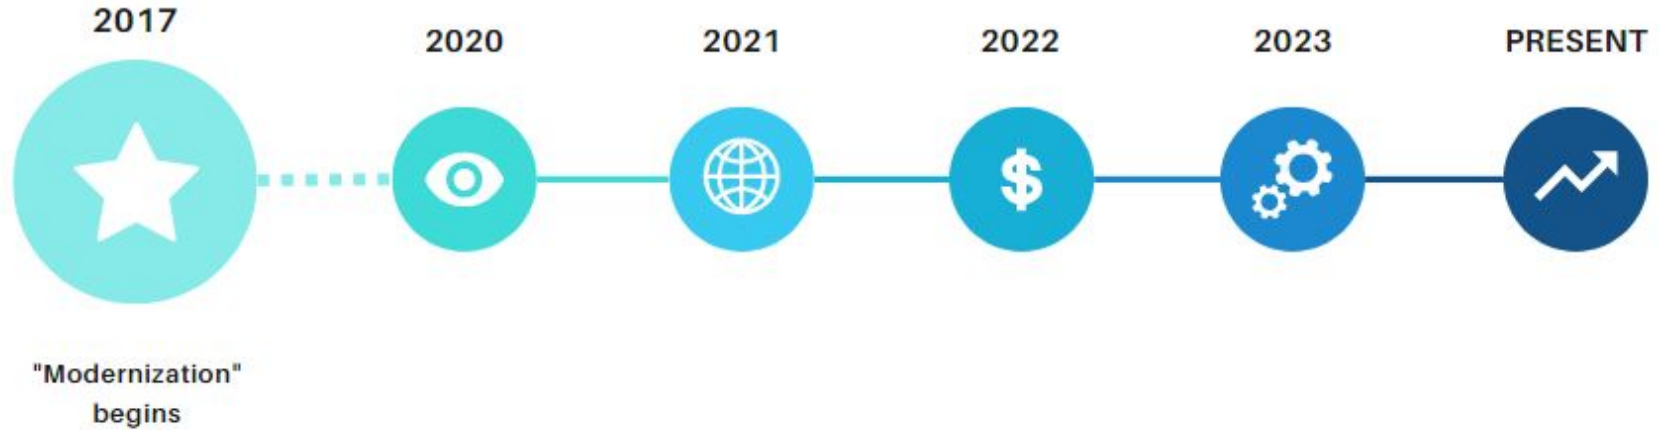

# The Timeline

# Major Concepts Revisited

- Technology systems need fully-dedicated, in-house teams.
- Technology systems are “products,” not “projects.”
- Technology should be built like programs, not buildings.

# Next Steps

# Technical Debt

THANK YOU.
