

**AGENDA**  
**Colorado Jail Standards Commission**  
Friday, September 8, 2023  
11:00 a.m.  
House Committee Room 0112, Colorado State Capitol

**11:00 a.m.**

**1. Welcome and Roll Call**

**2. Discussion and Approval of Final Standards (items may be laid over for final votes at future meetings)**

a. [Security](#) (Subgroup 4)

**3. Discussion and Approval of Technical Changes to Previously Adopted Standards (items may be laid over for final votes at future meetings)**

Background: Legislative Council Staff are proposing the adoption of several technical changes to previously adopted standards including: compilation of the standards into a single document; a numbering scheme for the standards; removing bullets and replacing with numbers/letters; standardizing punctuation; standardizing the elements of each standard for consistency; standardizing citations; and removing “emphasis” language. Staff are requesting that the commission vote to approve these technical changes at the September 8 meeting.

The revised standards can be accessed here:
