

## Amendment V Lower Age Requirement for Members of the State Legislature

1 **Amendment V proposes amending the Colorado Constitution to:**

- 2 ♦ lower the age requirement for serving in the state legislature from 25 to 21.

### 3 **Summary and Analysis**

4 **Requirements for serving in the state legislature.** The state constitution requires  
5 that a representative or senator in the state legislature be at least 25 years old, be a  
6 United States citizen, and reside in the district from which he or she is elected for at least  
7 12 months prior to being elected. Amendment V lowers the minimum age requirement  
8 to 21.

9 **Comparison of state age requirements.** Every state, with the exception of  
10 Vermont, has minimum age requirements ranging from 18 to 30 years old for members  
11 of the state legislature. In Colorado, an individual must be at least 25 years old to  
12 become a state representative or state senator. Forty-three states set the minimum age  
13 requirement for state representatives at either 18 or 21. For state senators, about half of  
14 the states set the minimum age requirement between 25 and 30, and the other half set it  
15 at either age 18 or 21.

### 16 **Argument For**

- 17 1) Excluding 21- to 24-year-olds from seeking election to the state legislature is an  
18 unnecessary restriction. A 21-year-old is considered an adult under the law.  
19 Voters can judge whether a candidate possesses the maturity, ability, and  
20 competence to hold political office. In addition, allowing younger candidates to  
21 run for office encourages the civic engagement of young people.

### 22 **Argument Against**

- 23 1) The current age requirement strikes an appropriate balance between youth and  
24 experience. Younger candidates may lack the maturity and expertise to be  
25 effective legislators. The policy decisions and political pressures that legislators  
26 face are best handled by people with more life experience. Lack of experience  
27 could hinder a young legislator's ability to represent his or her constituents  
28 effectively.

1 **Estimate of Fiscal Impact**

2 This measure has no impact on state or local government revenue or spending.
