OLLS explained the purpose of the Title 12 Recodification Study, referred to discussion of the articles listed above, and asked for suggestions for relocating those articles

Article 59—Private Occupational Schools

OLLS suggested moving the article as a new article to Title 23. A representative of the private occupational schools said their board is meeting soon and would discuss the proposal and provide any feedback.

Article 34, Pt. 2—Unclaimed Human Bodies

OLLS suggested moving the part to Title 23 or keeping it with anatomical gifts part (Art. 34, Pt. 1) and putting it in Article 19 of Title 15, Disposition of Human Remains. Bill Clayton asked about the connection between the unclaimed bodies provisions and higher education. OLLS explained that unclaimed human remains may be used for medical research at a medical school.
