Jo Feder For League of Women Voters of Colorado, Legislative Action Committee	My name is Jo Feder and I am testifying in Support of HB22-1083 Colorado Homeless Contribution Income Tax Credit. Thank you Finance Committee for reading my testimony. The League believes it is important that basic human needs are met. This bill supports housing that promotes temporary, emergency, or transitional housing programs for the unhoused. It is very desirable that it extends those services to under served rural counties. Thank you for your positive consideration. Sincerely, Jo Feder
