

HOUSE COMMITTEE OF REFERENCE AMENDMENT

Committee on Transportation & Local Government.

HB22-1239 be amended as follows:

1 Amend printed bill, page 2, after line 1 insert:

2 **"SECTION 1. Legislative declaration.** (1) The general
3 assembly finds and determines that:

4 (a) The department of regulatory agencies has considered the need
5 for regulating community association managers (CAMs) through two
6 sunrise reviews and one sunset review and has concluded, in each
7 instance, that community association management companies should be
8 regulated by the state, and in the sunrise reports, concluded that regulation
9 of CAMs was necessary to protect the public;

10 (b) In response to the department's 2012 sunrise report, the general
11 assembly enacted House Bill 13-1277, which established a regulatory
12 scheme for CAMs that required all CAMs, whether individuals or
13 business entities, to obtain a license through the division of real estate;

14 (c) In its 2017 sunset review of the regulation of CAMs, the
15 department recommended continuing the regulation in order to gather
16 additional, relevant information, but proposed legislation to continue the
17 regulatory program failed in 2018 and 2019, and the regulation of CAMs
18 ceased in 2019;

19 (d) Since the termination of CAM regulation, the department
20 conducted a study and survey of the industry, homeowners, and other
21 stakeholders and found that sixty-four percent of CAMs and eighty-two
22 percent of homeowners favor regulation of CAMs to protect the public;
23 and

24 (e) Thereafter, the department conducted another sunrise review
25 and concluded that "minimal regulatory programs should be enacted to
26 ensure that CAMs who commit acts such as theft are held accountable
27 through regulatory oversight . . ." and while "regulation may not prevent
28 thefts from occurring in the future, it would potentially prevent a
29 practitioner from practicing again in Colorado."

30 (2) The general assembly therefore declares that the regulation of
31 CAMs:

32 (a) Is important to protect the public, and in particular,
33 homeowners, from financial harm and ensure businesses engaged in the
34 practice of community association management and their employees and
35 contractors have knowledge of applicable laws and are able to perform
36 community association management activities in a manner that ensures
37 homeowners are not financially harmed; and

38 (b) Must be accomplished in a manner that is least restrictive to
39 the business of community association management, is efficient, and is
40 cost-effective in order to avoid significant impacts and minimize burdens

1 on both businesses and homeowners."
