HB25-1280 Advanced Leak Detection Technology Rules

Typed Text of Testimony Submitted

Name, Position, Representing	Typed Text of Testimony
Leslie Glustrom For Clean Energy Action	Dear Members of the House Energy and Environment Committee, On behalf of Clean Energy Action, I urge you to vote "Yes" on HB25-1280. Pipeline leaks are very dangerous and also add methane, a very potent greenhouse gas, to the environment. We should do everything possible to ensure that leaks are detected and addressed as quickly as possible. Thank you in advance for moving this bill forward! Leslie Glustrom
