

Impact of Place of Birth on Mistreatment

Global health experts agree that how people are treated during childbirth can affect the health and well-being of mother, child, and family. How does the place of birth - hospital or community - affect rates of mistreatment?

Place of Birth Impacts Rate of Mistreatment

Types of Mistreatment by Place of Birth

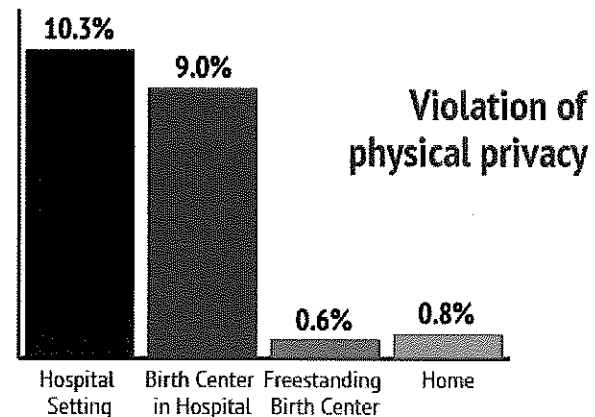

Place of Birth Impacts Mistreatment for Women of Color

33.9%
Women of color
who give birth in
the hospital

6.6%
Women of color
who give birth in
the community
