HB25-1195 First Responder Voter Regis Record Confidentiality

Typed Text of Testimony Submitted

Name, Position, Representing	Typed Text of Testimony
Jeany Rush For themselves	<p>TO: HOUSE STATE, CIVIC, MILITARY, & VETERANS AFFAIRS</p> <p>RE: HB25-1195 FIRST RESPONDER VOTER REGISTRATION RECORD CONFIDENTIALITY 3-6-25</p> <p>SPONSORS: JOHNSON, MARTINEZ, MULLICA, BAISLEY</p> <p>FROM: JEANY RUSH, COLORADO SPRINGS, CONSTITUENT</p> <p>VOTE: YES</p> <p>This is a bill I believe is needed. I never liked the tactic of Doxing people due to not liking their politics!</p> <p>In the rash of Marxist groups like Antifa, (yes even in Colorado Springs, and Denver still) Communist Parties, BLM groups still laboring under old ideologies, Drag and Other Social Justice Groups, known cartel groups, TDA, etc, and folks, there quite a few here now, I believe this is a necessity.</p> <p>If we are to bring our communities back to any semblance of safety, those that protect us should also be protected.</p> <p>The responder has an option by making a request, and I actually saw several protected folks come in to vote when I was a Poll Watcher in the last election.</p> <p>One of the biggest reasons I feel this is needed, is that while we might dislike or more someone, they may have innocent family members, children in their homes, and they do not deserve to be punished, or terrorized for any perceived actions of another family member.</p> <p>If it is an actual law enforcement issue, they would obviously come to a home to handle proper legal justice. Well we would hope.</p> <p>I would like to have seen this body respect the bill for our law enforcement officials to be able to protect us from criminals coming into our nation, committing crimes, and needing to be prosecuted, and turned over to ICE. There are many wish lists we have to bring some law and order to our towns. The very people who stand in the gap for our lives daily deserve more protections.</p> <p>PS: I know I am often quite' critical. That will not change. But once in a while, LOL.</p> <p>Thank You for this Bill!</p>
