

HB19-1001: Amendment Outline for H&I Committee

January 16, 2019

L.001

Strike-below amendment circulated to members on Friday (unedited) and Monday (official).

Amendments to L.001

L.004 – Intended to address CHA concerns about confidential/proprietary information.

L.005 – As requested by CHA, changes the reporting frequency to annual.

L.007 – Intend to address Colorado Hospital Association (CHA) concerns, allows multi-state hospital groups to submit an alternative to the audited financial statement, subject to approval by the Department of Health Care Policy & Financing (HCPF).

L.006 – As requested by CHA, clarifies the intended data to be collected regarding the acquisition of physician groups, etc.

L.008 – As requested by CHA, clarifies the list of exempted facilities.

L.009 – As requested by CHA, requires HCPF to provide a 15-day window for hospitals to submit corrections or clarifications prior to public release of data.

L.010 – As requested by CHA, requires HCPF to share back the data collected from hospitals with CHA.

L.011 – As requested by CHA, requires HCPF to review whether two currently-required reports from CHA are still necessary.
