Jeany Rush Against themselves	TO: SENATE LOCAL GOVERNMENT AND HOUSING COMMITTEE RE: SB25-023 Local Government Audit Exemption Thresholds Sponsors: Pelton,Jenet, Lindstedt FROM: Jeany Rush Colorado Springs Constituent 1-30-25 VOTE: NO  Legislative Audit Committee. Regarding local governments obtaining audits of its financial statements annually, or gain an exemption. TO my way of thinking, \$200,000 to \$2,000,000 is not chump change. In a time when our public citizens are losing their homes, due to over reaching fees, fines, bills, statutes, rules, ad nauseum, it seems to me pretty important that they get to see where money is spent, and for what purpose. Since it appears, there are systems in place, perhaps streamlining the existing, rather than sticking another rabbit hole' where money can be spent, but not seen might be a bit more proper.  We do need to be more accountable all the way across the board.
