Subject: Testimony for HB19-1239

To: <kerry.tipper.house@state.co.us>

Thank you Chairman Kennedy and Vice-Chair Jaquez-Lewis. Thank you Representative Tipper and Representative Caraveo. Thank you committee members. My name is Michael Neil and I rise in strong support of HB19-1239 on behalf of Colorado Cross-Disability Coalition and myself. In addition to being chronically undercounted as a population on their own, people with disabilities are far more likely to be impoverished or, even, homeless. This bill would be a great asset to making sure that folks with disabilities and all of their attendant cross-cutting populations are properly and thoroughly counted in the Census.

Michael Neil
