

HB16-1077 Created the Statutory revision committee.

The purpose of the Statutory Revisions Committee (SRC) is to: "Recommend, upon an affirmative vote by at least five legislative members of the committee, and in accordance with subsection (3) of this section, legislation annually to effect such changes in the law as it deems necessary in order to **modify or eliminate antiquated, redundant, or contradictory rules of law and to bring the law of this state into harmony with modern conditions.**"

HB17-1005 is a SRC bill

Title: Modernize Laws Relating To Office Of State Auditor

Bill Subject: State Affairs

Summary: Concerning modernization of various laws relating to the 102 office of the State Auditor.

House Sponsors: J. Arndt (D)

Senate Sponsors: J. Tate (R)

House Committee: State, Veterans, and Military Affairs

Senate Committee: N/A

Description: Recommended by the Statutory Revision Committee, this bill updates the following statutes pertaining to the Office of the State Auditor (OSA). It allows the OSA to complete a performance audit of public highway authorities in any year the Transportation Legislation Review Committee meets. It removes the requirement of the Department of Revenue (DOR) to provide a monthly account of working capital held by the department to the State Treasurer, as well as the requirement that copies of this accounting be sent to the Governor, State Treasurer, and State Auditor. It removes an obsolete bond registration requirement that allows holders of warrants to exchange the warrants for county bonds. And it removes an obsolete provision relating to an audit of the Enhanced Emissions Inspections Program contractor, which was required to be completed by the end of 2001.
