This database contains Florida stolen property information as reported to the Florida Department of Law Enforcement by law enforcement agencies throughout the state and authorized for release to the public. FDLE and the reporting agencies strongly recommend that no citizen take any individual action based on this information. This information is not to be used as a confirmation or probable cause that any property is stolen. Information contained herein should not be relied upon for any type of legal action. Please be advised that the identification number assigned to a particular gun by the manufacturer and/or owner may not be unique; duplicates may exist. FDLE cannot represent that this information is current, active, or complete. You should verify that a stolen property report is active with your local law enforcement agency or with the reporting agency.
