

Jessica Osman
Bridge Project

Thank you, Honorable Chairman Foote and committee Members for your time.

My Name Is Jessica Osman My Address [REDACTED]

I Am a youth Member at the bridge project And the youth Action Board I Am Writing To You Because I want to let teachers have guns for their safety because when they have school shooters they can keep there self safe with the guns to keep the students and there self safe.

I Care about this because I Don't want any Body getting hurt . I would like you to make it so the teachers keep the gun's Locked up so that the kids don't get and hurt there self from the gun. I Remember when I was in 5th grade there was a person who came to our school with a gun a shot at our school door during that time we where in a lock down I felt scared and worried.

I would greatly appreciate it if you voted in favor of this bill.

I greatly appreciate your willingness to listen to my testimony and think about what changes this can do to all schools.

Thank you for your time and consideration.
