All Colorado colleges/universities are required to ask the following questions to support a safe campus community. "Yes" responses are given careful consideration to include the scope and severity of the situation, how it was resolved, and what has happened since the occurrence.

Have you ever been found responsible for any disciplinary violation at an educational institution you have attended from the 9th grade (or the International equivalent) forward, whether related to academic misconduct or behavioral misconduct, that resulted in disciplinary action?

It also will be important to touch on what you learned from the experience and what changes, if any, have resulted. Your response will be reviewed by the Student Resolution Center (SRC) office, and additional information may be requested by SRC as needed.

Do you have any criminal charges pending against you or have you ever been convicted of a crime, made a plea of guilty, accepted a deferred judgment, been adjudicated, or been required to register as a sex offender?

*Note: moving violations, such as speeding tickets, are exempt, but DUI/DWAI must be included. To be employed as a student at CSU (through an assistantship, fellowship, etc.), you must pass a criminal background check.*
