

I SUPPORT COLORADO SENATE BILL 2019-012**"Use of Electronic Mobile Devices While Driving"**

This bill will help make Colorado safer by banning holding a mobile device while driving (bluetooth and hands-free allowed.) This makes holding a phone a primary offense that a police officer can pull you over for.

By signing below, I ask my Colorado representatives to support Colorado Senate Bill 2019-012. Please make our roads safer for everyone!
