SB25-279 Colorado Code of Military Justice Updates

Typed Text of Testimony Submitted

Name, Position, Representing	Typed Text of Testimony
Hal Moore For themselves	<p>The bill incorporates the federal "Uniform Code of Military Justice" (federal code) into the "Colorado Code of Military Justice" (state code), including specifically the punitive articles and general article of the federal code, which describe punishable offenses, and the statute of limitations that applies to charges brought pursuant to the state code. The bill repeals sections of the state code that are duplicative of the incorporated federal code.</p> <p>As retired Colorado Army National Guard, I fully support this bill and recommend approval.</p>
