

From Ronald M. Braun, Broomfield CO.

Chairman Kagan & Respected Commit Members

I live @ Anthem Ranch (with a community ^{Active} 55yr)
in Broomfield CO.

~~I represent 100 people~~
I am speaking for ^{about} 100 people who live there
Here is Petition ^{in favor} ~~from~~ ^{from} some I saw today

This issue is Not a political issue
every single person I've spoken to Repub & Dem
is in favor of HB16-1054

~~is not a political issue~~

We are all going to die - The quest
is how. I want to have a choice
If you don't want a choice - Fine, but
don't let gov't take away my right
to decide.

Almost 70% of COans want this choice
This change will happen!!!

To disabled Community, ^{+ Dr Buttrick} I hear your concerns,
but I simply don't buy slippery slope concept
The same thing was said about

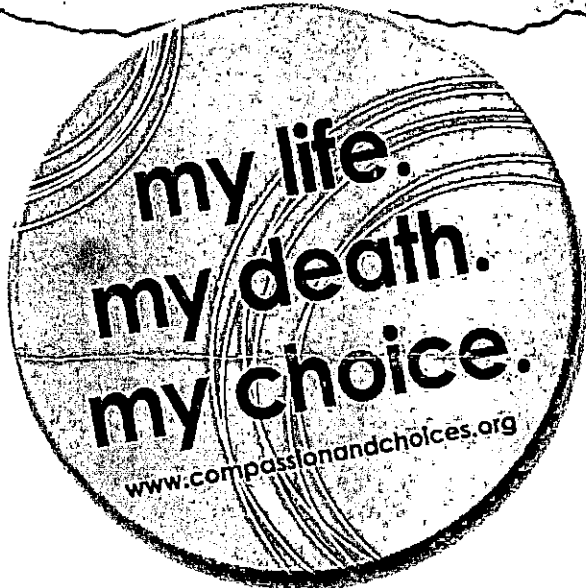

1. Freeing slaves

2. Giving women right to vote ^{goodness eventually even legislators}

3. Blacks & white marrying

I want & should have the right to choose - die
^{unfortunately} My late wife didn't get to say goodbye to
kids & have that choice.
Thank you
