Total	4,839,002	4,625,471	4,726,639	4,695,061	4,891,200	23,777,372	100%	
Notes:								
The 28% of gaming taxes that go to History Colorado is based on the total funds available for distribution (net of cost of operating the Division of Gaming).								
The funds are distributed to each town based on market share from Adjusted Gross Proceeds. Adjusted Gross Proceeds represents the total amount of all wagers made by players less all payments to players.
