Dear Mr. Lopez:

The Victim Services Unit (VSU) has been informed that the Colorado Board of Parole has DENIED early release to Parole in the case of the above offender.

The next scheduled Parole Board Hearing is indicated above by month and year. We will send additional notifications to you beginning at approximately 3 months prior to that date. Again, you will need to contact us at that time for the exact date of the next hearing.

Be aware, the offender may apply for Community Corrections (halfway house) between Parole Board Hearings. Community Corrections is a separate process from Parole. If that occurs, we will notify you. At that time, you may provide additional victim impact statements and/or be present in person or by phone for community corrections board reviews if you choose.

Please remember to keep us informed of any changes in your personal contact information to ensure you receive all future notifications.

If you have any questions, please contact the Victim Services Unit at (719) 226-4709 or by email at [doc\\_vsu@state.co.us](mailto:doc_vsu@state.co.us).

Sincerely,

Victim Services Unit
