Camping	3	\$	65.87	\$	1,680.69
				\$	5,144,142.43

*Data Projected from Denver 2014 calculations, available in Chart A. Denver Total Citations includes only citations issued to homeless individuals. Due to data limitations, all other jurisdictions include all citations under the ordinances indicated. Due to the nature of the selected ordinances we would expect the vast majority citations written here to be written to homeless individuals. Complete description of methodology available in *Too High A Price*, Appendix C.
