Committee on Education.HB17-1004 be amended as follows:

1 Amend printed bill, strike everything below the enacting clause and  
2 substitute:

3 "SECTION 1. **Legislative declaration.** (1) The general  
4 assembly finds and declares that:

5 (a) Many Coloradans currently serve in the Armed Forces, and  
6 Colorado is home to more than 400,000 veterans;

7 (b) These members of our community spend significant time  
8 receiving training and education for jobs serving our country and  
9 safeguarding our freedom and liberty;

10 (c) The Armed Forces invest taxpayer dollars to provide  
11 high-quality education and training to service members;

12 (d) Upon separation from the military, former service members  
13 are offered a GI bill;

14 (e) The GI bill generally covers only thirty-six months of  
15 education, and guidance targeted to veterans is necessary to ensure the  
16 optimal use of these limited GI benefits; and

17 (f) Veterans face an increased risk of poverty and failure to  
18 complete their postsecondary education if they are placed in college  
19 courses without appropriate recognition of college-level learning acquired  
20 while in the military and targeted guidance from the institution to ensure  
21 that GI bill benefits are used effectively to complete a chosen program of  
22 study.

23 (2) Now, therefore, by requiring state institutions of higher  
24 education to adopt a policy for awarding credit for college-level learning  
25 acquired in the military and provide appropriate guidance to veterans,  
26 Colorado can ensure an easier pathway to career and financial success for  
27 our veterans.
