

HB 1251
SRC Higher Education legislation

Section 1

23-1-105.5

Report on higher education governing bodies' student fee policies, collection and use.
JBC requested report continue indefinitely.
Introduced bill continues report indefinitely.
Amendment .002 does not change.

Section 2

23-1-106

Report on small capital projects.
JBC requested report continue indefinitely.
Introduced bill continues report indefinitely.
Amendment .002 does not change.

Section 3

23-1-108 (1.9)(g)

Report every four years on the need for higher education restructuring.
JBC had no position.
Introduced bill repealed report.

Agency statement: Section 3 – This report requirement was established back when Colorado's public system of higher education was decentralized and public institutions were provided autonomy from central governing. It is not anticipated that there would be any recommendations to modify that structure and go back to a centralized format, and therefore there has been no need for this report.

Amendment .002 does not change.

23-1-108 (1.9)(b)

Report on performance funding recommendations.
JBC requested report continue report indefinitely.
Introduced bill has future repeal in 2019.
Amendment .002 changes to continue indefinitely.

Section 4

23-1-113

Post-secondary progress and success of high school graduates.
JBC requested report continued indefinitely.
Introduced bill continues report indefinitely.
Amendment .002 does not change.

Section 5

23-1-113.3
