Joseph Lomeo Against themselves	HB25-1312 is the most extreme assault on parental rights and religious freedom we've ever seen. Do not pass this bill. Do whatever you need to do to stop this.
Elizabeth Engel Against themselves	<p>I'm writing to protest Sunday's "misgendering" measure, along with forcing transgender children away from their parents, if the latter don't accept their children's decision re. same.</p> <p>This whole thing is not only anti-human, but rather tyrannical and communistic! I'm not proud to be living in Colorado at this point, and I know that many others share this same view. And what kind of example is this state setting for the rest of the country?! Not a good one, for sure.</p> <p>And so, I implore you to reject this bill in its entirety, and to do all you can to SUPPORT the family and its traditional values that have HELD THIS COUNTRY together for 250 YEARS!! If America goes under, there won't be another chance for it to even survive, let alone thrive!!</p> <p>Thank you! E. Engel</p>
