HB24-1141 Local Gov Control over Burn Barrel Regulation

Typed Text of Testimony Submitted

Name, Position, Representing	Typed Text of Testimony
Tim Knabenshue For Otero County	I'm writing to testify in favor of HB24-1141. I believe that many people in Colorado utilize burn barrels and they should not be considered as open burning. I believe that if there is to be any control on burn barrels it should be done by the local jurisdiction and not a state wide blanket policy. Local control is the key to handling burn barrels.
