

Colorado Financial Services Association

The Colorado Financial Services Association promotes access to responsible credit for Coloradans.

CFSA'S IMPACT

- 25 Branch Locations in Colorado
- 43,000+ Customers
- Over \$375 Million Outstanding in Personal Loans
- 125+ Colorado Employees

WHAT WE DO AND WHO WE SERVE

- ◆ CFSA members provide responsible credit to Coloradans. All loans are fully underwritten, so customers are offered a loan in which they can succeed.
- ◆ Our customers in Colorado are employed in mainly the education, government, healthcare, and manufacturing sectors.
- ◆ CFSA lenders also give back to our communities in Colorado through our philanthropic partnerships and partnerships to promote financial education in high schools.

PROVIDING TOOLS TO SUPPORT THE FINANCIAL GOALS OF COLORADANS

- ◆ Coloradans use CFSA loans for both planned and unplanned life events such as debt consolidation, where a customer may be looking for a more manageable monthly payment, as well as home and auto repairs.
- ◆ CFSA lenders report to credit bureaus, providing customers with the opportunity to positively improve their credit profile.
- ◆ CFSA lenders also offer customer support throughout the life of the loan This allows our members to assist and work with the borrower if they face a bump in the road.

WHO IS THE CFSA?

The CFSA is a member-driven organization comprised of community-based, responsible installment lenders supervised and regulated by the Office of the Attorney General of Colorado.

The Association, with members boasting a century-long history of proudly serving Colorado borrowers, advocates for the continued accessibility and affordability of consumer credit. CFSA supports regulations that will allow Coloradans to manage planned or unplanned credit needs, which help protect and promote financial opportunity and mobility.
