Jeany Rush Against themselves	TO: SENATE TRANSPORTATION & ENERGY, FINANCE, AND APPROPRIATIONS COMMITTEES  RE: SB24-207 ACCESS TO DISTRIBUTED GENERATION  VOTE: NO NO NO NO  And another energy MisHap! Would you approve of government choosing winners and losers? Would you approve of decades of grants, government subsidy, tax credits for solar and alternative energy forms which go down a rabbit hole of waste and foolishness? Would you adhere to false science to promote policies, more taxpayer funded insanity? Would you support your cronies to get contracts, and private companies making money from the taxpayers, while scamming them nonstop? Would you resort to FORCE like in communist nations?  Well congratulate yourselves, because with this bill you have earned a 100% YES you would, are, and Did!!! When do you realize you are not only wrong, but dead wrong!? Stop!
