Jeany Rush Against themselves	TO: HOUSE TRANSPORTATION HOUSING & LOCAL GOVERNMENT COMMITTEE, HOUSE APPROPRIATIONS COMMITTEE, SENATE LOCAL GOVERNMENT & HOUSING COMMITTEE 4-30-24 RE: HB24-1308 EFFECTIVE IMPLEMENTATION OF AFFORDABLE HOUSING PROGRAMS FROM: JEANY RUSH, COLORADO SPRINGS CONSTITUENT VOTE: NO NO NO NO NO The absolute last thing we need is for modification to "City Housing Law!" We do not need urban growth communist/socialist models! We do not need one more government run, subsidized, housing program. These are and have produced decades of failure, and disaster. Ministry of Control of housing, translates to more of the 1984' scenarious we already have to much of. Taxpayers paying for more disasters and destruction of real home ownership and further, intrusion into our rights as a free republic. The disaster popping up all over Colorado with this subsidized big buildings which will suck government money, which is our money, and then put in place people who wont be able to pay to help support the local communities, further lines pockets of large companies. More tax exemptions, under the guise of helping on a non profit basis, and technically helping certain developers, and further destroying our communities is criminal. I WISH YOU WOULD ALL GO HOME, STOP PASSING ANYTHING, UNDO ALL YOU HAVE PASSED, AND DONT COME BACK NEXT SESSION. WE TRULY DO NOT NEED THIS RAPE OF AMERICA ANY MORE.
