<p>JEANY RUSH</p> <p>Against themselves</p>	<p>TO: HOUSE FINANCE COMMITTEE</p> <p>RE: HB26-1014 EXTEND CO JOB GROWTH INCENTIVE TAX CREDIT</p> <p>SPONSORS: R. TAGGART, A. BOESENECKER, L. FRIZELL</p> <p>FROM: JEANY RUSH, COLORADO CONSTITUENT 2-23-26</p> <p>VOTE: NO</p> <p>This is what you want!</p> <p>Under current law, the Colorado job growth incentive tax credit (credit) may only be allowed by the economic development commission (commission) through state income tax year 2026. The bill amends the Colorado job growth incentive tax credit to authorize the commission to allow new credit awards through state income tax year 2034.â€</p> <p>This is what I want!</p> <p>I want you to live within your means, so that WE THE PEOPLE can begin to recover from your REIGN of terror in the Former State of Colorado, now known as a GULAG!</p> <p>First, I want you all to do a budget of yourselves, the insane number of bills you are bringing into this state, which create enterprises, authorities, committees, NGOâ€™s, PPP, Private/Public Partnerships, and a host of commissions, all of whom are unelected entities yet hold control over the taxpayers of Colorado.</p> <p>Second I want you all to look up the meaning of OPM â€œOther Peoplesâ€™ Moneyâ€ as just like PM Thatcher said, Socialism fails when you run out of other peoplesâ€™ money. Well, We are being stripped Bare, and cannot sustain the insanity that is the Colorado Legislature!</p>

	<p>If you would stop increasing taxes, creating new “SNEAKY” ways around TABOR, you might hold more businesses, and keep more people from leaving Colorado, to escape the insanity!</p> <p>There are so very many entities within this body, that your SMART Act plans are a JOKE! If this is offensive, stop spending OPM, Or should I say the tax payers’ monies!</p> <p>Maybe you reduce this insanity, to a much shorter time, like no more than 3 years out, and create a climate of responsibility within the budget, and policies that incentivize FREE ENTERPRISE, RATHER THAN TAX US TO BRING IN SOMEONE ELSE TO SUCK US DRY. Quit picking winners and losers, and / or letting unelected groups determine who wins, who loses. LET THE MARKET WORK AS IT WAS DESIGNED!</p>
