JEANY RUSH Against themselves	TO: House Finance Committee RE: HB26-1077 Average Market Rate of Unprocessed Retail Marijuana SPONSORS: R. GONZALES, W. LINDSTEDT, J. MARCHMAN, J. WILLFORD FROM: JEANY RUSH, COLORADO CONSTITUENT 2-26-26 VOTE: NO Where to start with this bill? If I read this bill in an accurate manner, YOU ARE now going into the MJ growing/selling industry? You are now entering into Commerce and dictating the HOW TO™S of processed, unprocessed, inside, outside, growing, packaging, and determining what percentage of difference there will be in prices/rates and giving out the orders to the shops. It™s not like I believe this is a good thing for Colorado, or the minds of people, since the power of today™s MJ is much stronger than when I was a young college student. What happened to the Free Market Place to determine success and failure of products? Also, yes, there should be disclosure on how, what, when, where, by whom! BUT we are already running Prostitution Rings in Colorado, running Trafficking operations by default, by sick bills created by this body! Why not become drug runners as well, since we allow a small amount of fentanyl to run the streets, (you know just enough for a small sugar pack size that only takes out about 1500 kids or so â€” DOCUMENTARY DEVASTATED â€” YOU SHOULD WATCH IT! We already let child rapists out on probation so they can feel better

	<p>about themselves, never mind the harm they will do to a future victim, mark, CHILD!</p> <p>We already allow schools to mentally, chemically, physically butcher/mutilate our innocent minor children. We already allow Porn Books to populate our school and public libraries. We might as well run the whole state into the ground! WHATEVER HAPPENED TO GROW A LITTLE PLANT?</p> <p>COLORADO HAS OFFICIALLY BECOME NOT JUST A GULAG, BUT A CARTEL!</p> <p>NOW, LET’S ADD THE SAFETY CLAUSE, SO WHILE WE NAME THE CRIMES, AND NOW WE NAME THE PRICE, LET’S NOT LET THE PUBLIC KNOW, VOTE ON ALL OF THIS. VOTERS DON’T NEED TO KNOW????</p>
