HB26-1080 Cnty Mail Ballot Signature Verification Reqmnts

Typed Text of Testimony Submitted

Name, Position, Representing	Typed Text of Testimony
Ingrid Moore For themselves	I support this bill. Having a bipartisan team of election judges make signature verifications is not much different from the current practice of bipartisan teams of judges making determinations of voter intent on ballots where the tabulators were not able to determine it. This is not unreasonable, and I urge a YES vote.
