Carla Rowland For themselves	<p>To Members of the House State, Civic, Military and Veterans Affairs Committee, submitted by a registered voter in the City and County of Denver...concerning HB26-1084. I am asking for a Yes vote. This bill is common sense. Only the individual voter has the right and duty to determine his/her affiliation. To automatically determine "unaffiliated" by the City, County or State negates the rights of the voter. Only the person registered should be able to determine their affiliation.</p> <p>This bill sets up a clear policy to uphold the rights of the person, not the State.</p>
