Bennett Rutledge  Against  themselves	<p>Good morning Chair pro tem and members of the committee,</p> <p>Bill HB26-1346 - Transfer of Unsold Insurance Premium Tax Credits, reminds me of the selling of indulgences which, among other corrupt acts whose primary purpose was to raise money, not to benefit the people, or their souls, kicked off the Protestant Reformation. There is already much concern that meddling in the insurance markets may persuade the nationwide insurers to abandon Colorado, and while this bill may, at first glance, be an incentive to stay, the middlemen's cut is likely to tip the balance the other way.</p> <p>Please vote NO on HB26-1346 - Transfer of Unsold Insurance Premium Tax Credits.</p>
