Bennett Rutledge Against themselves	Chair Kipp, Senator Kolker, and members of the committee, good afternoon, This is another effort to poke a leak in TABOR. The part about the Federal Aviation Administration may have some validity, yet I have seen too many bills which diverted money to (or from) Federal programs raided for other purposes such as "education" to believe that this is actually how the money will flow for more than a single Fiscal Year. Vote NO on SB26-042 Revenue Classification Taxpayers Bill of Rights
