jeany rush For themselves	<p>TO: HOUSE STATE CIVIC MILITARY & VETERANS AFFAIRS</p> <p>RE: HCR26-1006 GOVERNOR PROCLAMATION RESPECTS SEPARATION OF POWERS</p> <p>SPONSORS: S LUCK, L GARCIA</p> <p>FROM: JEANY RUSH COLORADO CONSTITUENT 4-20-26</p> <p>VOTE: YES</p> <p>FOLKS:</p> <p>The executive, legislative, and judicial branches of government were created for a reason, and for keeping a balance of power, while protecting separation of powers.</p> <p>This subject is specifically important in Colorado, since there has been entirely too much over reach, and heavy handed Control of the state, the laws, and the rights of the people.</p> <p>It is also a very good point to address the manner in which a Governor would call special sessions, addressing actual subjects, but not steering or controlling the actual outcomes of that session.</p> <p>There has already been way too much of that behavior already in Colorado.</p> <p>We the People have already witnessed an ever increasing erosion of our rights by a system controlled by just one party. Nothing good has come from this scenario.</p> <p>This bill does give the people of Colorado a better option with separation of powers and allows them to vote on this Resolution.</p> <p>Currently we have several Governors ignoring the Presidential Executive Orders, which address protections of minors. There are more orders being ignored, and this is not really in the best interest of the majority of the People.</p> <p>We are just plain tired of watching this Kabuki Theater, and Abuse of Power, running over us like a Huge Bulldozer! It has to stop! How would</p>

	<p>you all feel if someone entered your home, and literally took over your family, ordered you around, took your kids, your land, your home, your money, and actually put strangers in your home. This is happening in many countries currently, and even in our nation. So balance of powers and protecting the citizens of a state are critical!</p> <p>Thanks for this bill!</p>
