Dennis Reda For themselves	<p>Dear Members of the Committee,</p> <p>I take time out of my busy day to write to you in strong support of SB23-301. This bill would ensure that my vote is counted in future presidential primaries.</p> <p>Ranked Choice Voting is an excellent way to improve and increase every citizen's participation in our democracy. Ranked Choice Voting is easy to understand, and is my preferred way to clearly express my intentions.</p> <p>Thank you.</p> <p>Best regards, Dennis Reda</p>
Ross Lipstein For themselves	<p>My name is Ross Lescano Lipstein and I live in Denver. I'm writing in support of SB21-301.</p> <p>I feel a great responsibility to my children and to my fellow Coloradans to make democracy work better for our state and ensure that the preferences of our citizens more consistently manifest in our leaders and politics. Ranked Choice Voting is a straightforward, proven, and fair way to improve our democracy - for our service members and for all of us.</p> <p>I urge the committee to vote in favor of this bill. Thank you.</p>
Hayley Young For themselves	<p>I believe in the ability of ranked choice voting to allow votes to count and to also help voters be more informed on all candidates and what they stand for. I believe that empowering individuals with voting and feeling like they have a voice will help empower the community and help people take responsibility for their surroundings. Effectively, allowing people to escape a victim state will improve all aspects of society. We as a people must improve democracy so that we can shift this society to a sustainable future that has hope of existing. Please support SB21-301 in order to support a government where the people it intends to serve have a voice. Thank you, Hayley Young, PE, PLS, LEED AP ND.</p>
